

# Planning EuroWorkS

Meetings in the 9/21/2011 – board of directors Sanddorn e.V. and 9/22/2011 Dr. Mörsel, Dr. Radzewiciu, Ms. Radzewicius

Then frames of the discussions in the board of directors of the Sanddorn e.V. and with the chairperson of the Lithuanian association the SBT peasant were met the following basic arrangements concerning the realisation of the conference in 2012:

1. As an appointment of the conference the first week is chosen in October, 2012, 4th and 5th of October, 2012, Thursday and Friday
2. Conference venue will be Vilnius, Lithuania. The concrete venue is still cleared, possibly in a ministry
3. We go out with our calculations from about 100 participants. Mr. Radzewiciu has pointed out to the fact that also many participants from Russia and Byelorussia will take part in this conference
4. Lodging is available at various hotels in Vilnius. The reservation will be necessary to do individually. We will present suitable proposals, among the rest, [www.citygate.lt](http://www.citygate.lt) in our circular
5. In the evening of the 4th of October, 2012 a common dinner is planned. This could take place in the restaurant Belmontas - on the edge from Vilnius.
6. For Saturday an after conference tour is planned. It will go to the former capital of Lithuania, Trakai.
7. Concerning the subjects of the event the following coarse orientation is planned:
  - a. the first day – from the plant to the berry
  - b. the second day – from the berry of the product

## ***Conference programme***

Concerning the contents of the talk days the possibly following idea was conceived:

### ***First day – from the plant to the berry***

The morning session will have keynote lectures from about 10:00 to 12:00 o'clock. The afternoon session about 13:00 o'clock till 17:00 o'clock with talks and discussions to the main focuses

- varieties, increase
- Cultivation
- Harvest technology – techniques and technology
- Climate change and sandy thorn
- marketing concepts

### ***Second day – from the berry of the product***

Here talks and discussion are planned all-day. There should be an overview to the state of knowledge to follower's main focuses:

- Primary processing of the harvested berries
- Production of juices, stabilisation of juices
- special results of the researches
- European continuance land register for sandy thorn
- European quality assurance system of sandy thorn

## ***Schedule planning***

For the realisation of the event the following appointments were agreed:

30 of June, 2012 – 2nd Circularly

November, 2011 – 1st Circularly

Deadline for registration of talks – 31st of May, 2012

Deadline for registration participant – 31st of July, 2012 (term for discounted price)

## ***Conference language***

It is tried to carry out the event in two languages. Main language will be English. It is tried to win synchronically interpreter for Russian. We see in this a possibility the colleague from Lithuania which speak predominantly still Russian fluently (older colleagues) or, however, dispose of sufficient knowledge of English (younger colleagues) as well as the guests from Russia and Byelorussia to organise a good possibility of the participation. The costs linked with it must be cleared.

## ***Participant fee***

- The participant fee will amount to 150 EUR after today's calculation. The discounted price on the participant fee with registration before the 31st of July, 2012 amounts to 130 EUR.
- For participants from the Baltic countries a separate discount is offered. With it the different wage level should be compensated. He will lie by the height of 50% and only about the association the sandy thorn peasant of Lithuania granted.
- For participants from eastern countries (Russia, Byelorussia, Ukrainian and other) the possibility on inquiry insists on getting a suitable support.
- The participation fee for students will be 50 EUR.

## ***Publication of the results***

The institute of horticulture of Lithuania publishes an omnibus and a publication row regularly. There will be the possibility in a special notebook to publish the results of the conference in this. Appointment for the delivery of the manuscripts is still to be fixed.

Protocol

PD Dr. Jörg-Thomas Mörsel  
President of Sanddorn e.V.
